CIPC/July

DCI/ICS 86-3704
14 January 1986

MEMORANDUM FOR: Director of Central Intelligence

VIA: Deputy Director of Central Intelligence
Director, Intelligence Community StaffFROM: Eloise R. Page
Chairman, Critical Intelligence Problems Committee

SUBJECT: CIPC 1985 Study Agenda and Status Report [REDACTED]

25X1

1. Attached for your information is a status report on the CIPC's 1985 Study Agenda. [REDACTED]

25X1

2. In essence, the status report denotes that the CIPC has completed all of the studies that you tasked it to undertake and that all of the working groups associated with these studies have been disestablished, with the exception of [REDACTED]
final stages of preparing its report for the Defense Science Board, and this effort should be completed by mid-January 1986. [REDACTED]

25X1

25X1

3. It is noteworthy that during 1985 the CIPC completed six major studies and four follow-up status reports that you approved for implementation by the Intelligence Community. We look forward to an equally productive year in 1986. [REDACTED]
